Vineyard Locations

Cabernet Sauvignon *Tietjen Vineyard on Niebaum Lane - Rutherford, Napa Valley*
This 7 ½ acre vineyard on Niebaum Lane is a consistent favorite. The Cabernet Sauvignon from this vineyard shows a great core of berry fruit with tremendous brightness. It also adds an elegance and suppleness to the texture of the wine.

Cabernet Sauvignon *Ehlers Lane Vineyard - St. Helena, Napa Valley*
This small vineyard on Ehlers Lane was planted in the early 1970's and produces cabernet sauvignon of great power and intensity that gives black-fruit character and rich texture to the wine.

100% Cabernet Sauvignon

Harvest Dates / Brix September 30 - October 4

Vintage Vintage 2000 will be a classic year for many red wines, thanks to an ideal Napa Valley growing season - hot days and cool nights were only interrupted twice: once in June with a heat spike and once in September with a little rain. The slightly cooler days in September gave the grapes extra time to hang and reach a greater physiological ripeness. The wines immediately exhibited fully developed flavors and excellent color.
