CORLEY

STATE LANE VINEYARD

Cabernet Sauvignon

YOUNTVILLE, NAPA VALLEY

VINTAGE 2011

TASTING NOTES

We have grown accustomed to the deeply pigmented wines from the small berries at this vineyard site. The intensity of the color is an inviting indication of the powerful wine to follow. One discovers a profound attack on the palate, exerting a strong full-bodied presence right from the beginning. The flavors display ample dark black fruits framed by powerful tannins as the wine crosses the palate and segues confidently to a long and lingering finish. Decant 30-60 Minutes Prior to Serving. Drink Now through 2028.

VINEYARDS, VINTAGE AND VINIFICATION

Our Yountville Single Vineyard was harvested on three separate days between October 20 and November 2, 2011. This was one of the latest harvest dates for this vineyard largely due to the cool, longer growing season. We were able to let the fruit hang in the vineyard for an extended time in 2011, allowing the grapes to develop full ripeness on the vine without an accompanying high level of sugar accumulation. The fruit was hand-picked and meticulously sorted upon arrival at the winery. Our goal with this wine and the others in our Vineyard Designate Series is to present as pure an expression as possible from each given vineyard site. Alcohol 14.1 %

100 % Cabernet Sauvignon

Small Winery, Big Reputation

The allure of winegrowing led Jay Corley to Napa Valley in 1969 to purchase land for our first vineyard. Today, we farm five Napa Valley vineyards in the Oak Knoll, Yountville, Rutherford and St. Helena appellations within Napa Valley.
