

MONTICELLO VINEYARDS

Chardonnay

ESTATE GROWN IN THE NAPA VALLEY

VINTAGE 2012

TASTING NOTES

This 100% Chardonnay is showing great balance even at a very young age. The aromas are well balanced and offer simultaneous tones of fully ripe tropical fruit along with clean citrus fruits. The malolactic fermentation contributes a lightly buttery tone to the nose that accents the wine without asserting itself. On the palate the wine strikes a nice balancing act of rich texture with a light streak of acidity which keeps it fresh and lively. This wine has a nice lingering finish. Drink Now through 2016.

VINEYARDS, VINTAGE AND VINIFICATION

Our Chardonnay vineyard in the Oak Knoll district of Napa Valley is planted with four different clones of Chardonnay (our Heirloom Clones and Dijon Clones #76, #95, #96) plant to 420A rootstock, 101-14 and 5c from which we produce Chardonnay grapes with rich bright fruit flavors. Soils are Pleasanton and Yolo Series Loam.

Our Monticello Vineyards designated Chardonnays are a great example of how the different clones, rootstock, and soil combinations specific to our vineyard create a most harmonious wine. Although we work with the same estate vineyard blocks each vintage, it is always interesting to see how they conduct themselves in any given season. They adapt to the season, and so do we. The differences in each growing season are what makes winemaking so fascinating, and these seasonal differences are one reason why the blends shift from year to year even though the grapes come from the same field. In 2012, our Chardonnay was harvested in early October, which is about two weeks later than typical for us. This longer, slower ripening time produced a wine that is well balanced, and is showing great balance.

The wine was fermented and aged in 1/3 new French Oak and 2/3 stainless steel tanks.

Aging - 9 Months in French Oak & Stainless Steel

Alcohol - 14.1%
